

ISAR Website Layout (Homepage)

1. Header / Navigation (Sticky)

- Logo (ISAR)
 - Menu: Home | About | Our Institute | Our Services | Gallery | Contact
-

2. Hero Banner (Split Choice)

- Headline: "Shaping the Future of Technology — Training Talent & Delivering Innovation"
 - Subline: "Choose your path with ISAR"
 - Visual: split image or illustration — left: institute (students/drone), right: 3D printing (printer/part)
 - Primary CTAs (prominent):
 - Button A (Left): "Explore Our Institute" — anchors to Our Institute section
 - Button B (Right): "View Our Services" — anchors to Our Services section
 - Secondary CTA (small): "Request a Visit / Demo"
-

3. About ISAR (Short — one paragraph + metrics)

- One-line mission statement
 - 3 quick metrics (e.g., Students Trained, Projects Delivered, Years of Operation)
 - CTA: "Learn More About ISAR" (links to About page)
-

4. Our Services (Overview Grid)

- Four service tiles (icon + short line):
 - Drone Training & Pilot Certification
 - Aerial Surveys & Research
 - Advanced 3D Printing & Prototyping
 - Industrial & Aerospace Solutions
 - CTA under grid: "See Full Services" (links to Services page)
-

5. Our Institute (Details)

- Intro sentence describing training, certifications, placement assistance
- Course cards (each with short bullets):
 - Drone Pilot Training — Duration, Eligibility, Start Dates
 - Aerial Survey Applications — Tools covered, Outcomes
 - Drone Research Projects & Labs — Opportunities for R&D
- CTA for each card: "Apply Now" or "Request Brochure"
- Secondary CTA: "Visit Campus / Schedule Demo" (for local visitors)

6. 3D Printing & Industrial Solutions (Service Detail)

- Short intro: capabilities and typical clients (aerospace, robotics, industrial)
 - Service cards:
 - Rapid Prototyping — turnaround, materials
 - CAD & Design Optimization — expert services
 - Custom Component Manufacturing — quality & testing
 - CTA under section: "Request a Quote" (leads to quote form)
 - Secondary CTA: "Download Spec Sheet"
-

7. Case Studies / Projects (Social Proof)

- Two or three highlighted projects shown as cards (image, challenge, solution, result)
 - Split to show one student success story and one industry project
 - CTA: "View All Case Studies"
-

8. Gallery / Media

- Masonry grid of photos & videos: training sessions, lab, printed parts
 - CTA: "View Full Gallery" / "Share Your Story"
-

9. Careers & Internships

- Intro: working at ISAR, learning culture
 - Open positions or internship cards with 1-line role summary
 - CTA: "Apply for this Role" and global CTA: "See All Careers"
-

10. Collaborate With ISAR (Partnerships)

- Short paragraph on partnerships, research & industry tie-ups
 - Contact card for business development (name/email/phone)
 - CTA: "Partner With Us" (contact form prefilled for partnerships)
-

11. Testimonials & Partners

- Rotating testimonials: students and business clients (quote + name + role)
 - Partner logos row: show reputable collaborators/clients
 - CTA: "Become a Partner"
-

12. FAQ (Accordion)

- Short set of FAQs split by audience: Students / Businesses
 - CTA at end: "Still have questions? Contact Us"
-

13. Contact / Request Form

- Short contact form fields: Name, Email, Phone, Message, Select: "Institute / Services / Partnership"
 - Map & address block
 - CTAs: "Send Enquiry" and secondary: "Call Now"
-

14. Newsletter / Updates (Small strip)

- One-line invite: "Get course updates, project news & offers"
 - CTA: "Subscribe"
-

15. Footer

- Links: Home | About | Our Institute | Our Services | Gallery | Careers | Collaborate | Blog | Contact
 - Small local SEO keyword block for footer copy (city variations)
 - Social icons and contact details
-

Notes: - Place CTAs persistently in header and repeated in key sections for conversion. - Use anchor links in CTAs for smooth single-page navigation where appropriate. - Prioritize "Apply Now", "Request a Quote", and "Partner With Us" CTAs visually.
